

March 2025

FEBRUARY UPDATE

Happy March, everyone! February was another wonderful month at MSC, and we have so many exciting updates to share with you!

Our Casa students had a fantastic time exploring the continent of South America! Some of the highlights included creating the Andes Mountains out of felt and making Pão de Queijo, a traditional Brazilian cheese bread. The children loved learning about the diverse cultures, animals, and cuisines of South America, and they're excited to dive into Europe this month!

Our Toddler students had a blast learning about animals from all around the world. They were particularly excited about their colourful science experiments, including Walking Water and Colour-Changing Flowers! This month, they are looking forward to exploring the four seasons and all the changes that come with them.

We also had an incredibly successful fundraising month! Thanks to the support of our amazing community, we raised over \$5,000 for the Addison Kelly Mental Health Education Fund. The children had a great time participating in the car washes, bake sale, and walkathon. Thank you to everyone for your generous contributions! We hope to see you at our Happy Hour this Friday to celebrate.

In some exciting news, our bunny, Salt, is expecting! We can't wait to see the new little bunnies and are turning this into a wonderful learning opportunity for the children. We will keep you posted on the progress!

Finally, we had our OES school inspection on February 25th, and we are thrilled to announce that MSC did exceptionally well! We were joined by inspectors Ms. Althea and Ms. Suzanne, and we truly appreciate the parents who completed the Parent Survey and attended the Parent Meeting. Your support means the world to us. We will share the full report once we have it.

Thank you again for all your continued support. We look forward to another exciting month ahead at MSC!

Mark your calendars...

SCHOOL PHOTO UPDATE – Our school photos with our photographer, Lisa were a great success! We will share them, along with ordering information as soon as we receive the information. For anyone who missed their photo, Lisa will be back on **March 21st** and can take them then.

March 24th - April 14th - PARENT TEACHER MEETINGS – Please join us to discuss your child's progress and achievements. Sign-up sheets will be placed outside your child's classroom door. More details to follow!

RE-ENROLMENT FORMS DUE IN – If you have not returned this form to us and your child is returning to MSC we encourage you to get these to us as soon as possible. Thank you!

April 18th - 25th – EASTER BREAK –

School will be closed for Easter Break, however we will be running camp April 22nd-25th. Please email us at info@caymanmontessori.com if interested.

PARENT EDUCATION CORNER

The impact of Screen Time

As part of our ongoing commitment to fostering a healthy, balanced approach to learning and well-being, we encourage parents to be mindful of their children's screen time outside of school hours. We recommend that screen time be limited, with a focus on interactive and educational content rather than passive or entertainment-driven media. We invite you to read this interesting article from The Telegraph, UK, about the affects of screen time on a toddler's development - [READ ARTICLE HERE](#)

"The greatest gifts we can give our children are the roots of responsibility and the wings of independence".

- Dr. Maria Montessori
