Ms. Emy

About Me

Ms. Emy comes from Italy and holds a degree in Education and a Masters Degree in Special Education. Through her studies, Emy has been exposed to a variety of teaching methods, including Montessori (which originated in Italy!).

Ms. Emy fell in love with the Cayman Islands during a visit in 2016 and decided to relocate to call Cayman her home! Willing to share her skills and experience as a teacher, she joined our team at Montessori School of Cayman.

She is always impressed by the children's curiosity and their creativity. Ms. Emy's educational philosophy is to understand and enhance the uniqueness of every child, promoting the development of identity, autonomy, competence, and citizenship. Each student brings with him/her a wealth of talent that simply needs to be discovered and valued. Ms. Emy loves nature and she is passionate about healthy food and all the natural products. She also loves art in all its expressions!
