Ms. Lulu

Deputy Head of School
& Lead in Toddler
Garden

About Me

I was born and raised in a small town in Namibia. After spending one year in the Netherlands, I realized that I love living overseas and meeting people from all over the world. I have been living in the Cayman Islands for almost 3 years now! Time flies when you are having fun. I have a bachelor's degree in education, but most of my teaching career I have been a Montessori teacher. I have a passion for working with children and people. Every year I set goals for myself, I like a good challenge and learning new skills. Recently I have started my "office job", completely different from working with kids. I really enjoy working alongside Miss Bri and I am in a fortunate position where I learn a lot from her. I enjoy being active, spending time with my friends and family and maintaining a healthy lifestyle.

Meet the Teacher

Ms. Emily

Assistant in Toddler Garden

About Me

Emily, who is originally from Cleveland, Ohio, USA earned her degree in Sociology from Loyola University in Chicago. After graduation, Ms. Emily taught for a year at an Early Childhood Education school where she spent her time in the infant classroom as an assistant teacher, with children between the ages of 6 weeks to 15 months. The school followed mostly Montessori practices, which is where she found her passion for teaching in a true Montessori setting. She also has various experiences working with children such as counseling at a day-camp where the children played soccer and babysitting in her teenage years. Ms. Emily believes in creating a safe and nurturing environment where children feel comfortable, and feels that this helps support independence. She herself went to Montessori school in her early years and can see how the education she received still helps her today. Ms. Emily has been with MSC now since January 2024 working in the toddler environment, which she absolutely loves. In her free time, Ms. Emily enjoys reading, spending time with friends and family, and playing video games!
